

UNDOCUTERP

UndocuTerps and folks in mixed status families:

Your humanity matters,
You and your families are more than your status,
You are welcomed here,
You are resilience,
You are allowed to process in whatever way is healthiest for you,
You have a community at UMD, MD, and one nationally fighting with and for you,
You are love and are loved,
You are enough.

Here are a few questions that can help process this moment:

What brings you joy?
What colors speak to your feelings right now?
Who makes you smile?
Where do you feel warm and comforted?
What are your favorite lyrics?
Think of a moment when you felt strongest.
